Fenton Community Center & Cultural Center

150 S. Leroy St.

Fenton, MI 48439

Southern Lakes Parks & Recreation together with **TheWellnessNP** are hosting our first Wellness, Health & Fitness Expo and we are looking for sponsors to help us offer this dynamic special event to our community at no cost to them. To do this we are looking for sponsors.

The objective is to bring a wealth of information to help the community become aware of all the mind/body, healthy, and beneficial opportunities around the town of Fenton.

The Expo will include guest speakers on various wellness, health, and fitness topics. There will be demonstrations in mindfulness and fitness, kids oriented and group classes, meditation, empowerment, and nutrition.

We are offering local businesses this occasion to host a table highlighting their strength giving them the opportunity to promote their products and services as well as their involvement in transforming lives in our Community. There are two ways to be involved: choose one of our sponsorship options or become a vendor.

Thank you for your consideration. We would be thrilled to have your business play a significant role!
